Happy New Year to all!

Welcome back everyone. We hope you enjoyed the Christmas break with your family and friends.

January was a busy month with the 2nd marking period ending on the 26th and the celebration of the Three Hierarchs and Greek Letters Day on the 30th.

Snowy days,
with foggy haze.
No school today,
this season is my kind of way.
Blizzards galore,
I hope there's so much more!
Winter is so much fun,
with so much more to come.
Fall and spring give me glee,
but compared to winter, there's no where else I'd rather be.

"The Case of the Missing Crown"

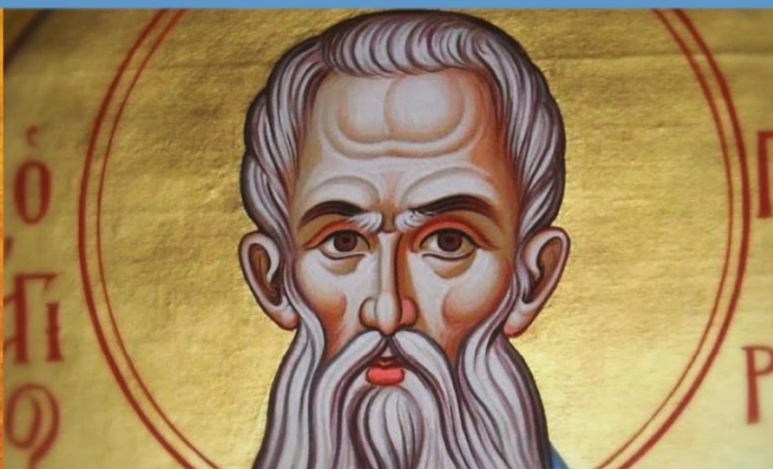

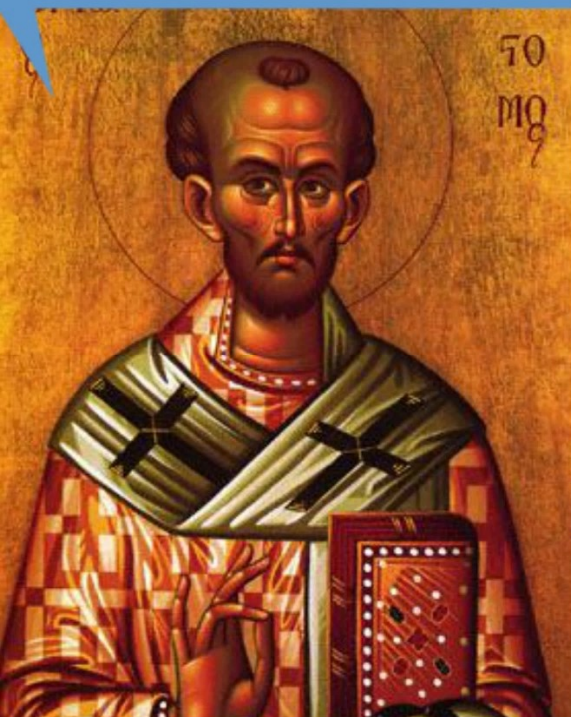

Kid's Story Corner

Once upon a time, in the kingdom of Branzia, there was a young queen named Iania. Iania had a problem. Someone had stolen her silver and sapphire crown. She didn't know who stole it. There were some suspects, however: Knight George Kendell, the vegetable seller Melana Keth, the trader Oliver Mendier, and the traveler Ella Maker. Iania sent the royal detective Darius Legmock to search for more evidence. He found out that Ella Maker and Knight George Kendell were innocent. In a nearby town, it was heard that Oliver was cheating people in deals and offers and Melana was acting suspicious, too. Her tomatoes started selling for 20 gold nuggets, instead of the usual 10. Melana was also missing and had another person filling in for her. Then, one day, some knights found Oliver stealing the queen's ruby ring. They asked him to give up the queen's crown or suffer the trial of the judge. Oliver surrendered the crown and the case of the missing crown was finally closed.

Three Hierarchs & Greek Letters Day

On our celebration of this holy commemoration of the Three Great Hierarchs and Ecumenical Teachers, Basil the Great, Gregory the Theologian, and John Chrysostom... our theme for the Congress will be All Things Are Possible to the One Who Believes in Christ, a theme that guides us to consider the limitless possibilities and tremendous potential of our faith. The Three Hierarchs understood and experienced this power and potential of our faith in Christ. Through their holiness of life, their dedication to service, their theological acumen and spiritual insight, and their faith, they knew that all things are possible to him who believes (Mark 9:23).

Dr. Martin Luther King, Jr. Day

Martin Luther King was an important civil rights activist. He was a leader in the movement to end racial segregation in the United States. His most famous address was the "I Have A Dream" speech. He was an advocate of non-violent protest and became the youngest man to be awarded the Nobel Peace Prize. He was assassinated in 1968.

In 1968, shortly after Martin Luther King died, a campaign was started for his birthday to become a holiday to honor him.
