Dear Parents,

The St. Nicholas William Spyropoulos School is offering an extracurricular program. The after school program for the second semester will begin Friday, February 1st, 2019 and will end Friday May 31st, 2019. Each after school activity will run from 3:00 -3:45 p.m. The junior high school morning classes will meet from 7:45- 8:30 AM. Each activity is \$100.00* per child. These programs are on a first come first serve basis. Any class that has fewer than 10 students enrolled will be cancelled.

Greek Dance, Choir and Yearbook are one-year commitment activities that have already been paid for and will continue on the same day and time as in the first session.

Parents please note: The extracurricular classes are a ninth period in the school day. Students must report immediately to an assigned gathering place after dismissal. **They are not to leave the school premises.** If for any reason a student cannot attend the class, he/she must have a written excuse or the student will be given an unexcused absence. Two such absences will result in his/her withdrawal from the class. In addition, if a teacher contacts a parent more than twice for behavioral issues, the student will be asked to withdraw from the class and a refund will be issued for the remaining classes.
