

# School News

Hello everyone!

February was fun month. On the 1st of the month, our middle school had their JHS Dance. The dance was a success and students had a great time. The 3rd graders helped us celebrate Chinese New Year on the 5th and on February 11th, we held our annual American Heritage Assembly. Both the 4th and 5th grade classes did an amazing job singing and performing. On the 13th we had our 100 Days of School celebration. Our 8th graders did a wonderful job being priests, administrators, teachers, and staff members for the day. Winter recess was from February 18th until the 22nd and Spirit Week was from February 25th until the 1st of March. Our Spyropoulites enjoyed Movie Monday, Twin Tuesday, Wacky Sock Wednesday, School Colors Thursday, and Favorite Team Friday. Students and faculty members participated and showed off their school pride!

## JHS Dance 2019

Our Junior High School students, along with students from ZP, danced the night away on Friday, February 1st. This year's dance was 80's themed. Thank you to the eighth grade Dance Committee members who made posters, stuffed goody bags, decorated, and even helped clean up after the dance. Also, thanks to the teachers who chaperoned and to the PTA moms who worked tirelessly to make this dance a success!

## Chinese New Year

The third grade had been studying China, and on February 5th both classes celebrated Chinese New Year! The students and their teachers, Mrs. Orfanidis and Mrs. Tavantzis, paraded their dragons around our school. In the afternoon the third graders presented their PowerPoint projects on China to some very special guests- their parents. After the presentations everyone enjoyed some delicious Chinese food. And, keeping with tradition, each child received a lucky red envelope with chocolate coins! Happy Chinese New Year!

Gong hei fat choy!

# 100 Days of School 2019

On the 13th, we celebrated the 100th Day of School with a variety of activities. The highlight was when our eighth grade seniors experienced what it would be like to be priests, administrators, teachers and secretaries for the day. Kai tou xronou!

# American Heritage Assembly 2019

In honor of President's Week, our fifth graders put on a beautiful production honoring our American heritage, and the fourth grade chorus captivated the audience as they sang patriotic songs. Everyone in attendance learned some valuable lessons about our nation's geography and history and about the people who made this country great! Congratulations boys and girls to you and to your teachers for an amazing job!

Congratulations!
