Dear Parents,

We are pleased to inform you that the William Spyropoulos Food Program for the first half of the year will begin Monday, September 16, 2019 and will end Friday, January 31, 2020.

Please note that the Lunch Program is voluntary. If you choose not to participate in the program, you must provide lunch for your child. In the event that a student who is not on the program forgets his/her lunch, parents will be notified to either bring lunch or \$7.00 for that day's lunch. The lunch program is not set to respond to a large number of last minute food orders; therefore, we encourage you to enroll. If a student wishes to purchase water or juice on any given day, the charge will be \$1.00. When including your payment, please note that each day has the number of weeks until the end of the session. Please add all the days accordingly. (For example: if you select Monday and Tuesday please add the two together for a total) Also, it is very important that your child understands that they cannot change their lunch choice once it is made.

** Please make sure and choose a Lenten lunch as well. This will allow less confusion. If a Lenten lunch is not chosen, your child will get a bagel. In order for the program to run smoothly, please read the attached order form carefully and respond no later than

Friday, September 13th, 2019. Please adhere to this deadline. There will be no exceptions!

Please make your checks payable to the William Spyropoulos Food Program. Also, please note we would appreciate separate checks for multiple children. This will allow less confusion and easier administration of paperwork. Refunds will not be given.

If you have any questions, do not hesitate to contact the office.

Sincerely
The Lunch Program Committee

*An outstanding environment,
where children learn and grow happily and successfully*
